

Call for Papers

36th International Conference on ICT Systems Security and Privacy Protection, 22 – 24 June 2021

The IFIP SEC conferences are a series of well-established international conferences on Security and Privacy. SEC is the flagship event of the International Federation for Information Processing (IFIP) Technical Committee 11.

The IFIP SEC conferences aim to bring together primarily researchers, but also practitioners from academia, industry and governmental institutions to elaborate and discuss IT Security and Privacy Challenges that we are facing today and will be facing in the future.

Paper submission

Papers should not exceed 14 pages in Springer LNCS format. The proceedings will be published in the IFIP AICT series.
